THANK YOU for your interest in becoming a Board Member of the Flagler Playhouse.

The MISSION of the Flagler Playhouse is to be the premier center for the performing arts, providing artistic educational and cultural enrichment opportunities, through exceptional theater artistry, offering live theater performances each season with a wide range of subject matter and challenges for both performers and audience, in an inclusive environment with opportunities for educational programs for live theater and other related arts for children, adults, and those with special needs.

Our board meetings are once a month for approximately two hours. Each board member must serve on a committee. We are a working board so there will be times extra help is needed during productions or off season. We require each board member to attend one performance of each production to assist wherever needed and to meet and greet our patrons, and possibly give curtain speech at beginning of the show. Board participation is expected at special events such as volunteer appreciation and recruitment. Board member terms are for one year, beginning July 1st.

Specific committees may be:

- volunteer coordinator/recruiter for front of house;
- volunteer coordinator/recruiter for back stage set build/construction, oversee the shop;
- publicity;
- facility director - oversee building needs, facility leases;
- educational programs (summer camps, acting classes, etc);
- finance and budgeting;
- coordinating special events both on and off property;
- production committee - oversees production, secures written contracts from directors/crew, liaison between director/stage manager and board.
- fundraising/grants/sponsorships
- web design assistance with outside Marketing firm
- costume department chair - oversee costume rooms, assist production costumer as needed.
